Recommendations of National Commission on Agriculture

6575. SHRI SANJAY DALMIA:
MAULANA OBAIDULLAH KHAN AZMI:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether the National Commission on Agriculture has recommended for an interested set up for agricultural development both at the Centre and the States;

(b) if so, the steps taken to implement the recommendations;

(c) whether Government are aware that there is no coordination among the Centre, States and other organisations; and

(d) if so, the steps being taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM): (a) and (b) The National Commission on Agriculture has recommended for Integrated set up including *inter-alia* the establishment of planning units at the Centre and the States for formulation, coordination and evaluation of the plans in order to achieve over-all agricultural development. Both the Centre and most of the State Governments have set up planning units for the formulation and coordination of overall agricultural policy.

(c) and (d) Coordination between Departments within the Ministry of Agriculture at the Centre and between Centre and States is a continuing process and forms a basic condition for effective implementation of the national development plans. Wherever lacunae have been observed, timely remedial measures have been taken.

Programme for encouraging planttation of fruit trees

SHRI S. K. T. RAMACHANDRAN:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government propose to launch any programme for encouraging plantation of fruit trees to boost the production of fruits in the country particularly in rural areas; and

(b) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM): (a) and (b) The Government of India has already implemented a Centrally Sponsored Scheme for 'Integrated Development of Tropical, Arid and Temperate Zone fruits'. The assistance for area expansion under fruit crops is available @50 per cent of the total cost in split instalments. The crops covered are Mango, Litchi, Citrus, Sapota, Guava, Grapes, Ber, Pomegranate, Banana and other regional fruit crops in an area of 0.5 ha. to each beneficiary. An area of 35027 ha. will be brought under fruit crops during 8th Plan. Accordingly, in order to supply

quality planting material to the orchardist, a total of 85 large conventional nurseries in public sector, 587 small nurseries and 37 tissue culture units in public and private sector are also included. Fund has also been allocated for field demonstration training of farmers and publicity materials on improved fruit production technology. National Horticulture Board (NHB) is also giving assistance to the extent of Rs. 50,000/- per group of 50 farmers for training. Besides, 10 fruit plants at a maximum cost of Rs. 50/- per family is being distributed freely by NBH for the establishment of nutritional garden in rural areas.

Apart from these, Ministry of Rural Development have also launched a scheme on employment assurance for plantation of new fruit crops, for those who are below poverty line under which maximum assistance is available upto Rs. 15,000 per ha.
